MANUAL

## GR G110A

USER MANUAL PURPOSE

This user manual is dedicated to the use of the Active FRFR Guitar Cabinet G110A.

The manual includes the following information:
• General information (technical data and packaging);
• Description of the amplifier's functions.
All the information described in this user manual is verified.
The manufacturer reserves the right to update or modify their product without any notice.

PACKAGING AND STORAGE

PACKAGING
The G110A is packed in a special cardboard box. The box contains the amplifier, power supply cable, and user manual.

TRANSPORT
Please handle the box with care. A specific position during the transport is not required.

STORAGE
Please keep the amplifier in a dry and ventilated place. Ideal storage conditions: the temperature within -20C and 40C, Humidity 20% to 80%.

PRODUCT DISPOSAL
Please follow the disposal instructions issued by your local council. By European Directive 2002/96 / EC, all electrical and electronic products should be disposed of by specific collection facilities appointed by the government or the local authorities.

DECLARATION OF CONFORMITY
The product complies with the following European directive:

2014/35 / EU - Electrical Safety
2014/30 / EU - Electromagnetic Compatibility
2011/65 / EU - Limited use of certain hazardous substances in electrical and electronic equipment.

A full copy of the declaration of conformity is available from the manufacturer.
The manufacturer is not responsible for any damage due to improper use of the product.

LIMITED WARRANTY

The warranty covers five years.
The warranty covers any defects in material or workmanship under normal use during the warranty period. Any shipping cost to/from the repair service center is the customer's responsibility. In the event of irreparable damage or repeated failure of the same type, the manufacturer may replace the unit, within the term of the original warranty.

The warranty does not cover parts that may result in faulty due to:
- Negligence or careless use
- Improper installation and maintenance
- Tampering made by unauthorized personnel
- Damages that might not be related to manufacturing defects.

The manufacturer accepts no responsibility for any damage due to persons, animals or things, as a consequence of the failure to comply with all the installation requirements and /or use indicated in this user manual.

PURE ~/\/\/\~ SOUND

The GR Guitar FRFR AeroTech line is the lightest FRFR guitar cabi-
net line in the world. Never has a professional cabinet been produ-
ced with this performance-to-weight ratio.
